SATURDAY'S GAME IS BIG SPORT EVENT OF SEASON

Local patriotism will be called into full action next Saturday afternoon at Glenwood when the Ogden High school football team measure strength, agility and science with their ancient foes, the eleven from the Salt Lake High.

This will be the only opportunity of the season to see these two teams together, as the annual Thanksgiving day game between them is not on the schedule this year.

Coach Lon Romney and the Orange and Black squad expect the enthusiastic support of the local fans to help them to carry off the honors.

The Ogden High school team is practicing every night and with the renewed confidence growing out of the good showing against the heavy U. of U. Freshmen last Saturday afternoon, the boys will put up the game of their lives.

Coach Romney predicts a contest that will be well worth seeing, as the teams are closely matched and both have improved since the beginning of the season. In the former game, which was played in Salt Lake early in the season, the Salt Lake team won by the score of 13 to 3, all the points being made in the last quarter.

The advantage which the locals will have in playing on the home grounds with plenty of loyal rooters combined with their improved playing, should bring them the victory in next Saturday's game.

The lineup of the Ogden High school eleven will be practically the same as it was in last Saturday's game.

Salt Lake Comment.

The Salt Lake Tribune has the following gossip on high school football: "By defeating Coach Worthwine's Boise team Saturday, by 9 to 2, the Salt Lake high school football eleven may now lay claim to the championship of the high school division of the northwest."

"Last year the Boise team won the title by trimming the Oak Park high school of Chicago, who invaded the west and played post-season games. The Lincoln high school of Portland also won from the Chicago school. The Boise school has a game scheduled with Portland on Thanksgiving day, to be played in Boise. Should Boise win, Salt Lake will be the undisputed champs."

"Boise followers declare that if last year's team had played the result would have been different. They declare that Worthwine had to develop many new men and that their team this year was the lightest that has ever represented the school."

"Only four of Boise's old men came back to school this year. They were Captain and Quarterback Vernon Brown, Left End Edward Horrie, Left Tackle Robert Robinson and Center Howard Kingsley."

"Salt Lake was outweighed four pounds to a man. They had three men from last year's team, but two were playing in positions entirely new to them. Bill Goodrich, who played tackle last year, was shifted to full-back and Zeb Jensen was shifted from end to tackle. Both boys have given a good account of themselves. Harry Kilpatrick and Captain Ken Yeates are the other old men."

"The next game for the west sides will be with Coach Lon Romney's fast coming Ogden team. The game will be played at Glenwood park in Ogden Saturday. The showing of the Junction City kids against the 'U' freshmen was far better than that of the Albion academy of Idaho."

"The freshmen backfield, which has been tearing up the high school lines in past games, was able only to make small gains and the stonewall defense of Ogden's line saved them from having many more points scored on them. Ogden also made a touchdown."

"One thing that has been sadly lacking in Ogden is the student body's support. In past games played in Ogden, the attendance has scarcely been 700. The students are with the team when they are winning, but if the team loses a few games, the interest dies down. The Athletic association is barely able to pay the opposing team's expenses."

"Romney is endeavoring to create spirit for Saturday's game and hopes to have a good attendance. Five hundred students of the Salt Lake high school will attend the game. They will leave for Salt Lake on the 11 o'clock train and will return after the game. If Salt Lake wins, a big snake dance will be held in Ogden after the game."

MOULTHROP HAS WAIVED EXTRADITION

New York, Nov. 18.—Sidney Moulthrop, the stenographer arrested on a charge of forgery made by Senator J. Hamilton Lewis of Illinois, waived extradition proceedings at his examination this afternoon and said he wanted to return to Washington at once to stand trial. He was turned over to United States Marshal Hendrick Marshall Heikel said he probably would take Moulthrop back with-out delay.

SOLID BEDROCK BEING UNCOVERED AT THE DAM SITE

At the meeting of the city board of commissioners this morning, Mayor A. G. Fell presented a communication from the city engineer giving the information that the prospects of continuous bedrock at the Cobble Creek damsite are much improved.

The city engineer visited the site a few days ago with assistant State Engineer Ulrich and made a careful examination. He states that the fracture at the upper edge of the fractured zone is assuming a more definite trend and that solid rock on either side of the fracture is more regularly defined, with the dip of the rock on both sides indicating that the fracture is gradually closing.

At the lower edges of the fracture excavation discloses satisfactory conditions and the formation has every indication of solid bedrock, and that it is certain that should other fractures occur they will be smaller than the one at the upper end of the zone.

Mayor Fell states that the prospects for firm bedrock are most encouraging. The communication which he sent to the board was received and placed on file.

David O. McKay's report of the expenditure of \$200 donated by the city for the pioneer pageant was received and filed.

On the recommendation of Commissioner T. Samuel Browning, superintendent of the department of public safety, the application of Louis Prantl for a license to conduct a rooming house at 220 Twenty-fifth street, which is the Central hotel, was granted.

The claim of the Ogden River Reservoir company for \$1,632.05, payment for one-half the work done on the Cobble Creek damsite, during the month of October, was allowed and the auditor instructed to draw a warrant for the amount.

DUGWAY ROAD WILL BE OUT OF THE VERY BEST

The macadam workers for the city will complete their operations on the dugway canyon road this week and the crusher will be closed for the winter.

A good road has been built from the Sanitarium ruins at the mouth of Ogden canyon to a point well up the dugway and it is renewed at the top of the dugway and will be completed to Twenty-first street on Harrison avenue.

Commissioner J. C. Nye, superintendent of streets, states that he is well pleased with the road and that, after it has settled through the winter, it undoubtedly will be one of the best roads of the county. He says that the crusher will be closed at the end of the week and will not be used again until spring.

KEPT THEIR MARRIAGE A SECRET SINCE SEPTEMBER

Early in September, entirely unknown to the people at large, Ogden and North Ogden became more closely united by way of Farmington. The cause of this seeming paradox was that he had been married for he it was who brought Mr. and Mrs. Albert Whitmeyer to the gateway of the Elysian fields of bliss. The news of their marriage just became known today.

Mr. Whitmeyer is a son of George Whitmeyer, the well known local contractor, and a member of the firm of Whitmeyer & Sons of this city, and Mrs. Whitmeyer was formerly Miss Ora Marshall, daughter of Mr. and Mrs. E. J. Marshall of North Ogden. Both are popular among a large circle of acquaintances. The young couple left today for Salt Lake City where they will visit.

Deaths and Funerals

STEVENS—James William Stevens died at 3:30 p. m. yesterday at his home in Preston, Idaho. Death was due to Bright's disease. He was the fourth son of the late Sidney Stevens and is survived by his wife, five brothers and five sisters. The remains were brought to Ogden this afternoon. Funeral arrangements announced later.

PAINE—Bishop Robert McQuarrie will conduct the funeral of Mrs. Sarah M. Paine which will be held in the Second ward meeting house tomorrow at 2 p. m. The interment will be in the city cemetery.

ENROUTE TO CHICAGO

Miss Ruth Lissack of Reno, Nev., was an Ogden visitor yesterday. Miss Lissack is on her way to Chicago, where an extended visit will be spent with her aunt Mrs. Thomas Balmer, 1645 Hollywood avenue.

CHIEF W. I. NORTON PLACES REWARD AT \$20,000

Speaking of rewards offered for the capture of the blackmailers, Chief W. I. Norton states that he is pleased that the amount is reaching a point where encouragement for greater activity to catch the men is offered. He says also that he is certain that more money will be offered in the near future. He has not yet received word from the Southern Pacific company, but is quite certain that the old reward will stand.

The railroad rewards do not apply to the capture of the blackmailers, but the chief is quite certain that the same parties committed the series of crimes, including the train robberies.

Chief Norton's summary of rewards follows:

City and county	\$2000
Oregon Short Line	5000
Southern Pacific	5000
Citizens	2500
State of Utah	5500
Total	\$20,000

Chief Norton says there are no new traces as to the identity of the fellows who have terrorized the people here for some time in the past, but that the men who have in hand the matter of getting the men are not overlooking any clue. He thinks it is a question of only a little time until the fellows will be run down and brought to justice.

Although the foot prints of men supposed to have fired upon Detective David Edwards Sunday morning on west Seventeenth street indicated that they were stationed behind bushes on the north side of the street, near the McChesney home, the detective stated to Chief of Police W. I. Norton at the De hospital yesterday that he is certain he was fired at from both sides of the road.

Mr. Edwards stated to the officer that when he received the word to stop he was immediately fired at and that the first wounds were so nauseating that he was unable to return the fire with anything like his usual accuracy.

He denied that he had said he knew who shot him or that his assailants were not the blackmailers. He said that he always had been on friendly terms with the officers of the law, both in the sheriff's office and the police department.

The wounded detective is improving rapidly and it is thought that it will not be a great while before he will be able to get out. He is now permitted to sit up in bed with pillows as props.

For the evening, an elaborate entertainment has been prepared which will begin with a basketball game between the Alumni and the present Academy team. The alumni will present a team of "stars" and expect to give the regular team a good hard game and one that will prove exceptionally interesting.

Following the basketball, a reception will be held by the Alumni association which will include dancing, refreshments and other features.

GOMPERS OPPOSES BENEFIT AMENDMENT

Seattle, Wash., Nov. 18.—The progressive element of the American Federation of Labor was voted down twice this morning when the convention in session here defeated two constitutional amendments of a similar nature having to do with the payment of strike benefits. The first measure would have given the executive council "discretionary" power to authorize payment to newly organized unions the members of which were locked out or discharged for having organized. The second substituted "the" for "discretionary."

The vote on the first was 63 to 113; on the second 74 to 142.

Strike Benefits.

Advocates of amendments declared the Industrial Workers of the

World had accomplished much that the federation had been unable to do because of the provision of the constitution making strike benefits available only to those who had been members of a union at least a year.

"I have heard enough about Industrial Workers of the World charging the American Federation of Labor with not doing its duty," declared President Gompers. "It will be a sorry day for labor when we stoop to meet the frivolous, purposeless charges made by that sort of people. Every time they have made a row we have been called upon to pay the fiddler and the piper. I don't think we should be disturbed by what they think of us."

President Gompers declared the adoption of the amendments would bankrupt even the treasury of the United States were that at the disposal of the federation.

and Peter Spehar, an alleged assailant of Hansathy, were arrested.

HER FIRST PICTURE SINCE TITANIC SANK

Philadelphia, Nov. 18.—Two hundred thousand dollars is the amount of damages claimed by Mrs. Georgena Burdick Tower, who declares she is the wife of Charlemagne Tower, Sr., for alleged alienation of the affections of his son. The complainant began her suit against Mr. Tower, Sr., who was former American ambassador to Germany, on October 9, but did not file a statement of damages until today. She declares in her suit that she was married to Young Tower in New Haven, Conn., in June, 1911, and she alleges that since then Mr. Tower, Sr., has induced his son to leave her and has alienated the son's affections from her.

CURRENCY PROGRAM IS BEING ARRANGED

Washington, Nov. 18.—Arrangement of a program for the administration currency bill was taken up today by Democrat senators. Chairman Owen of the banking committee will present the bill with a divided report tomorrow. Talk of a Democratic caucus was revived. The suggestion was made that if the bill as prepared by the six administration senators of the committee were taken into a caucus, and possibly attended, probably the Democratic majority might be bound to support it.

The steering committee conferred but took no action. It will meet again Thursday. The discussion developed a wide divergence of opinion on adjournment.

At the White House it was stated that President Wilson was opposed to an adjournment of congress as he wished continuous consideration of the currency bill.

Calumet, Mich., Nov. 18.—Telephone dispatching wires and telegraph wires were cut along the copper range railroad last night, demoralizing train service for several hours. Striking copper miners, in case at the company for bringing non-union men to the mines, were blamed for the vandalism.

George Gesorich, a striker, wounded last night at Superior mine in an attack on Peter Hansathy, a non-union workman, will live. Hansathy

and Peter Spehar, an alleged assailant of Hansathy, were arrested.
